United States v. Horne et al., 10 Cr. 954 (RJH)

Dear Judge Holwell,

We represent defendant Naquan Horne in the above-referenced case. We write to request a one-month extension of the deadline for all defendants to file suppression motions. Such motions are currently due on August 18, 2011; we request that this date be extended to September 16, 2011. The Government consents to this request. Defense counsel and counsel for the Government are actively engaged in productive discussions regarding a disposition of this case. This is the second request for an extension of the deadline for filing suppression motions; the prior request extended the deadline from August 5, 2011 to August 18, 2011.¹

Application Granted.

Sincerely,

A hearing on any such motion shall be held

William C. Weeks

¹ *The undersigned has been unable to reach Charles S. Hochbaum, counsel for defendant Kenneth Moore, to discuss this request, but Mr. Hochbaum has not objected to the proposed extension, to which the Government consented in an August 11, 2011 email to all defense counsel. Mr. Hochbaum consented to the prior extension of the deadline for suppression motions to allow time for additional discussion of a resolution of this case, and undersigned counsel believes that he would not object to this extension. Counsel for all other defendants join this request.*
